## Stailey Joins DOH

On August 16, Janet Stailey, former Assistant Superintendent for Administration at ISD, joined the Indiana State Department of Health as Executive Assistant to Ted Alexander, Assistant State Health Commissioner. Her duties will focus on assisting in the oversight of the ISD, the School for the Blind, Veteran's Home, Silvercrest Center, and the Soldiers' and Sailors' Home.

## Parent Workshop

On Sunday, September 26 from 1 - 5 pm, ISD's K - 5 Program will hold a workshop focusing on the 3rd - 5th grade ASL/ESL Language Arts Program. Interested parents with children of any age are welcome to attend.

Babysitting and refreshments will be provided. Parents planning to attend please contact K- 5 Secretary Judy Evans at ISD ext. 160 TTY (or through Relay Indiana - 1-800-743-3333) for reservations.

## School Pics

Pictures of students, faculty, and staff will be taken on Wednesday, September 29, and Thursday, September 30, 8:00 am - 2:30 pm. All students, teachers, and teachers' assistants will go to the Vocational Library on Wednesday. All other staff (Education, Student Life, Visitor & Information Center, Business & Operations, Family & Student Services) should go to the same location on Thursday. Superintendent Laird requests that ALL staff be photographed for the yearbook and for records purposes.

*The Student Development Center  
will host a reception in the  
2nd floor Co-Ed Lounge  
after the performances.*

## New Policy in Dietary

With Superintendent Laird's approval, Brown and Willard Cafeterias will initiate an "IOU" signature sheet. Staff members who do not have meal tickets may sign the IOU sheet for a meal. Names will be removed when tickets are submitted. Thanks for the feed-back, ISD!

**Founder's Day - October 1 - Banquet - 7 pm Fairgrounds Southwest Pavilion**

*(See enclosed ISDAA flier for details)*

## BIBI Thought for the Week:

"A shared language makes for a shared identity."

If you want information about the program or know of a job opening, please call the Cooperative Education Program at 924 - 8413 TTY/Voice.

## Workshop Planning

On September 9, 1993, a group of people met at ISD to begin planning a workshop for state and local agencies serving the Deaf Community. This workshop, to be held late this Fall, will focus on building a network between the various agencies and organizations and beginning a dialogue with the Indiana Deaf Community concerning their wants and needs. Many thanks to the following people for attending the first planning meeting for this workshop!

Paul Ash, Department of Education  
Janet Stailey, Department of Health  
Leonard Marshall, Indiana Association of the Deaf  
Jerome Freeman, Deaf and Hard of Hearing Services  
Ann Reifel, Deaf Community Services  
Eddy Laird, Superintendent of ISD  
David Reynolds, VIC Special Projects Coordinator, ISD  
Ann Titus, Transition Consultant, ISD

Alice Tinsley had also planned to attend but could not due to an illness in her family.

The committee will meet again September 28, 10 am - 12 pm.

## Thanks

Kim McCarthy of Elwood, Indiana, donated \$50 to ISD's Student Recreation Fund recently.

## Tech Prep

One key to Tech Prep's success is that educators work closely with business, industry and community leaders to discover what is needed in the workplace. The key skills employers want are:

- Employees who know how to learn
- Employees with competence in reading, writing & computation
- Adaptable employees with good creative thinking and problem-solving skills
- Employees with excellent interpersonal skills who work effectively and comfortably in teams

The Tech Prep Curriculum at ISD will focus on these skills to prepare its students for their future successes.

**The Class of '94 will sell "I-L-Y" T-Shirts  
Homecoming Weekend \$4 per shirt**

# LIBRARY NOTES:

Welcome back to another year of good reading! Several exciting events are being planned for ISD's students this fall:

1. The library will observe National Deaf Heritage Week (September 20 - 25) by displaying arts and crafts made by our Deaf friends. The students will have the opportunity to view the handiworks on Wednesday, September 22 and appreciate the skills and talents Deaf people have. We request the loan of any handiworks that you may have (please bring them to the library anytime before September 22). They will be returned after the demonstration.
2. The Great American Book Fair sponsored by PTCO is coming again this year. It will be held October 4 - 8 in the Alumni Hall library. Letters with order forms will be sent home with the students soon. Watch for them and start saving your money now. The profits from the sale will benefit ISD's students. Volunteers to assist with the book fair are always welcome (please call ahead if you plan to come).
3. Children's Book Week will be celebrated nationwide November 14 - 20. Special reading activities will be planned for the students (to be announced later). Volunteers are welcome to assist with the programming.

F.Y.I: We are converting from shelf-list cards to a computer database on CD-ROM to be funded by the Indianapolis Foundation through the efforts of CIALSA (Central Indiana Area Library Services Authority). This project was begun last February with staff members from the Student Life Department. Five more staff members were hired to assist in the project last summer. Nearly 18,000 books (including the books in the K-5 library) were inventoried and important information documented on cards elicited from the books. The cards will be shipped to Bro-Dart Company in the next few months where the information from will be fed onto a computer. It is hoped that the library collection will be fully automated within two years. Your cooperation and patience during this project is appreciated.

Linda Canty, *Head Librarian*

## **HELP!**

The library is missing the April 1993 issue of American Annals of the Deaf. Please return it as soon as possible as it is a valuable reference material which is used often by researchers.

## **Lost Hearing Aids**

ISD students lose jackets, books, pens, glasses, and sometimes hearing aids. Several of these expensive little objects are lost at ISD every year; some are eventually found and returned to their owners. There are two things that ISD's audiologists would like to suggest to parents that can lessen the impact of a lost aid.

First, make sure that the student's audiologist has a record of the hearing aid. Through the magic of ISD's database, if a hearing aid is found ISD can return it to the student that day — if the serial number has been listed. Parents with children in the 0 - 5 and/or the K - 5 Programs can contact Sheryl Whiteman at 924-8416 TTY/Voice. Parents with Middle School or High School students can contact Linda Charlebois at 924-8416 TTY/Voice.

Second, insurance for lost hearing aids may be helpful. Homeowner's insurance may cover lost hearing aids or a "rider" may be required.

# Staff Development News

## ***Partners in Policymaking***

The purpose of this group is to train people to become leaders and informed citizens. The overall goal is achieve a productive partnership between people needing and using services and those in a position to make policy and law.

Participants (called "Partners") include adults with disabilities and family members of people with disabilities. "Partners" attend eight weekend training conferences to study current issues affecting people with disabilities, government policies, public services that are available, and how to start local advocacy groups.

Partners in Policymaking is looking for enthusiastic men and women who really want to make a difference in Indiana. They want participants from a variety of ethnic and socioeconomic backgrounds and geographic regions of the state represented as well as a variety of disabilities. All Expenses for travel, respite care, food and lodging will be provided.

If you are the parent of a Deaf child or a Deaf individual who wants to make a difference in the services the state of Indiana offers, this might be the perfect group for you. The deadline for applications (available from the Staff Development office) is October 15.

## ***Prime Time Workshop***

Every Fall Prime Time provides a full day workshop for instructional assistants and teachers to provide assistants and their teachers the opportunity to explore, discuss and plan appropriate environments and teaching strategies. Participants also discuss the role of the instructional assistant and his/her partnership with the classroom teacher.

Indianapolis will have two of the workshops -- the first on November 1, the second on November 8, at the Washington Township Administration Center. There is no charge for this workshop.

## ***Children's Express***

If you are thinking about ordering Children's Express to use in your classroom, then you need to attend the workshop that will be held at the Children's Museum on Wednesday, September 29, 4:30 pm - 6:30 pm. You will have the opportunity to interact with a teacher who is using the Children's Express.

You may reserve a place by calling 633-9004 Voice.

## ***National Science Teachers' Association Conference***

The National Science Teachers Association is having its annual conference in Louisville, Kentucky, November 11-13. This organization has over 200 sessions for kindergarten through high school. Registration is \$50 for members and \$65 for non-members.

## ***Annual INTESOL Conference***

INTESOL is hosting its the 15th annual conference at Depauw University on Saturday, October 9, 1993. This year they will focus on new advances in technology and the use of interactive computer assisted language teaching as we approach the twenty-first century.

An overview of computer-assisted language learning (CALL) will be presented. The types of software used in CALL will be described and demonstrated. The presenter will give guidelines for choosing programs and suggest ways in which teachers can create their own lessons. Hands-on practice will be available as time permits. This workshop will be non-technical and will stress what language educators might do with computers rather than how computers operate.

Advance registration is \$15 for members, \$20 for non-members. On-site registration is \$18 for members, \$23 for non-members. The luncheon is \$8.50.

## **Other Workshops**

***Implementing Self-Directed Work Teams***

***Nine Steps to Self-Managing Work Teams***

***How to Manage Conflict, Criticism and Anger***

***How to Manage Projects, Priorities and Deadlines***
